

SPECIAL SUMMER SAVINGS

We're Rolling Back Our Prices!

SUCCESS UNLIMITED CENTER FOR LEARNING

As we celebrate our 30th year serving the community, we are grateful to all of the individuals and families who have come to us over these years for assistance in meeting their educational and/or psychological needs! To show our appreciation, to celebrate our anniversary, and to respond to the very real needs of the individuals and families in these difficult economic times, we are rolling our prices back! That's right! This summer, we are offering our one-to-one professional tutoring for \$30 per hour (50 minutes), for a block of 20 sessions, paid up front. Or you can pay \$35, for a block of 10 sessions, paid up front. Or you can pay \$40, session-by-session.* This represents up to a 40% discount off the \$50 fee which we have charged for many, many years! And, as you must know, no other premier learning center in the country comes close to matching it!

***These special anniversary rates cover sessions completed between June 1st and August 31st!**
